SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The Brands East Metropolitan District No. 2's (the "District") (formerly known as Eagle Crossing Windsor Metropolitan District No. 2) organization was approved by eligible electors of the District at an election held on November 4, 2014. The District was organized by order of the District Court in and for Larimer County on January 20, 2015. The formation of the District was approved by the Town of Windsor, Colorado in conjunction with the approval by the Town Board of a Consolidated Service Plan for the District, The Brands East Metropolitan District No. 1, The Brands East Metropolitan District No. 3, and The Brands East Metropolitan District No. 4 (formerly known as Eagle Crossing Windsor Metropolitan District No. 1, Eagle Crossing Windsor Metropolitan District No. 3, and Eagle Crossing Windsor Metropolitan District No. 4, respectively) on September 8, 2014. The District exists as a quasi-municipal corporation and political subdivision of the State of Colorado under Title 32, Article 1 of the Colorado Revised Statutes, as amended (C.R.S.).

At a special election of the eligible electors of the District on November 4, 2014, a majority of those qualified to vote voted in favor of certain ballot questions authorizing the issuance of indebtedness and imposition of taxes for the payment thereof, for the purpose of providing financing for the planning, design, acquisition, construction, installation, relocation, redevelopment, operations and maintenance of the public improvements within the District including streets, parks and recreation, water and wastewater facilities, transportation, mosquito control, safety protection, fire protection, television relay and translation, and security.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary Information page of the budget using the mill levy adopted by the District.
